DC charging time (10-80%)	[min.]	25	24	28	28	26

Range figures are cited as maximum values. Range may vary depending on the trim.

Key selling points

MEB platform & super-fast charging

- Rear-wheel drive (50, 60 and 85 versions) or all-wheel drive (85x and RS versions)
- Range up to 574 km
- Optimised preheating feature contributes to a DC charging time of 24 minutes
- DC charging power up to 185 kW
- New software and hardware to increase efficiency and reduce energy consumption
- Heat pump for effective heating and battery thermal management
- Excellent aerodynamics (c_w from 0.26)
- With four different battery sizes from 55 to 84 kWh

More digital

- Augmented-reality head-up display
- 5" Digital Cockpit
- 13" Infotainment with navigation and voice control

Assist systems

- Travel Assist 2.6 (incl. Traffic Jam Assist and Emergency Assist)
- Intelligent Park Assist incl. Trained Parking, Remote Parking and Remote Trained Parking
- Side Assist

More light

- LED Matrix beam headlights
- LED rear lights with dynamic indicators
- Cornering light and poor weather light
- Two Welcome and Goodbye effects

Connectivity

- Digital voice assistant Laura (online, ChatGPT based)
- SmartLink
- WLAN (Wi-Fi) and hotspot
- Online Personalization

Highlights

Simply Clever

- Prioritise different parameters – comfort, energy economy or driving dynamics
- Traction mode, designed for slippery or unpaved surfaces, available with all-wheel drive (85x or RS versions)
- Mode customisation possible through the Individual mode

- Parcel shelf intermediate position
- Phone Box with wireless charging (up to 15 W) and ventilation for one phone and storage space for a second phone
- Universal Charger – up to 11 kW AC charging almost anywhere
- Charging cable tidy under the parcel shelf
- Fast charging USB-C ports (up to 45 W)

Driving modes

MyŠkoda app

- Remotely start or stop charging, set charge level limits and control the cable lock
- Preconditioning for set departure time, heating of the seats, the steering wheel and the windows
- Automatic authorisation at public charging stations via Plug & Charge
